

## CALL FOR SCULPTURE

# *More is More*

*Juried Exhibition*

**Exhibition Dates:** February 9 - March 10, 2023

**Submission Deadline:** Thursday, January 19, 2023, midnight

*More is More* is an exhibition of sculptural works that are adorned with an overwhelming or compelling surface. We aim to gather in one space an array of exciting textures and surface treatments that beg to be studied and touched. (work will not actually be touched by visitors)

There are no conceptual requirements for work submitted. Surface treatments do not have to be sculptural themselves, they could come in the form of a patterned overlay or a heavy patina.

Works included in the exhibition are created by members of the Society of Sculptors (SOS), Pittsburgh and beyond. All sculptural media is welcomed: floor and wall artwork, installations, and works on pedestal.

**Location:** Harlan Gallery  
Seton Hill University Arts Center  
205 W. Otterman Street, Greensburg, PA 15601
